Chapter 7 Section 6 pg. 113 Write at least 3 main ideas:

What continent are Italy, the UK, France, Norway and the Netherlands found on?

Look at the graph on pg. 113 (Section 7.6)

People in Italy and the USA work more hours than people in many other countries. Why do you think that is?

Is this a good thing? Why or why not?

Does this show that Americans have a strong or weak work ethic?

Read Chapter 7 Section 7 Beginning to Think Globally (pg. 114-115)

Why is consumption growing worldwide?

How much money do people have to make in a year to be members of the global consumer class?

What problems are created by consumption?

What are some of the benefits of recycling?
